Terms and Conditions of Authorisation

1. The authorisation shall comply with the provisions of the Environment (Protection) Act, 1986 and the rules made there under.

2. The authorisation or its renewal shall be produced for inspection at the request of an officer authorised by the prescribed authority.
3. The person authorized shall not rent, lend, sell, transfer or otherwise transport the biomedical wastes without obtaining prior permission of the prescribed authority.
4. Any unauthorised change in personnel, equipment or working conditions as mentioned in the application by the person authorised shall constitute a breach of his authorisation.
5. It is the duty of the authorised person to take prior permission of the prescribed authority to close down the facility and such other terms and conditions may be stipulated by the prescribed authority.

Specific Conditions:

1. That the occupier shall not mix bio-medical waste with general waste and shall under no circumstances, hand over untreated wastes to the municipality for disposal in land fill site.
2. That, the occupier shall segregate bio-medical wastes and collect in colored containers/bags at the point of generation as per the Rules and shall transport them in covered containers labeled with the symbols of biohazard & cytotoxicity.
3. That, the occupier shall treat the segregated bio-medical wastes in the manner prescribed under the Rules and shall ensure requisite treatment of segregated wastes at the individual or common facility, duly authorized by State Pollution Control Board, Jharkhand.
4. That, the authorized person shall treat the biomedical waste containing more than or equal to 50 PPM of mercury and shall dispose of it (them) as per the provisions of the Hazardous Wastes (Management, Handling and Transboundary Movement) Rules, 2016.
5. The occupier of health care unit shall submit the statement related to spillage and collection of mercury during the period from January to December of previous year, along with the annual report latest by 30th June of every year.
6. The authorized person of the unit shall maintain records related to the generation, collection, receipt, storage, transportation, treatment, disposal and/or any form of handling of Bio-medical Waste and all records shall be subject to inspection and verification by the State Pollution Control Board, Jharkhand at any time.
7. That, the occupier shall upload online application for renewal of authorization 90 days prior to the date of expiry of this authorization under Rule 10 of the Bio-Medical Waste Rules, 2016 with CTO copy issued under the Air (Prevention and Control of Pollution) Act, 1981 and the Water (Prevention and Control of Pollution) Act, 1974 along with compliance of all the above conditions.
8. Pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through disinfection or sterilization on-site the manner as prescribed by the World Health organization (WHO) of National AIDS Control Organization (NACO) guidelines and then send to the common bio-medical waste treatment facility for final disposal.
9. Ensure segregation of liquid chemical waste at source and ensure pre-treatment or neutralization prior to mixing with other effluent generated from health care facilities;
10. Every occupier or operator of Common bio-medical waste treatment facility shall submit an annual report to the prescribed authority in Form-IV, on or before the 30th June of every year.
